

If you ever had trouble managing all of those cables in your SharkRack cabinet, we have a solution for you. It's the CM-TSH-19. This horizontal cable management tray uses only 1 RU of rack space.

- Modular so you can move to any EIA rack unit, which makes for a more flexible configuration.
- Can be mounted between the front and rear zero RU vertical rails in the "Tiger Shark" cabinet.
- Durable Zinc plating.
