

The SharkRack E250 rack mount kit was designed to support Sun's Enterprise 250 into a 19 inch rack environment. The kit turns the server on its side to provide better rack density. Taking up a mere 10.5 inches of vertical rack space.

- Fits in 19 inch EIA standard 4 post enclosures
- Matches Sun's color scheme
- Provides excellent access to the computer product

Part Number E250-R19-H
