

The SharkRack V210/V240 rack mount kit was designed to support a Sun Fire V210/V240 into a 19 inch EIA rack environment. Sun's supplied rack mount kit does not fit into some cabinets as it is too wide. SharkRack has developed a rackmount kit that uses a thinner slide which enables it to be used in a wider verity of cabinets.

- Fits in 19 inch EIA standard 4 post enclosures
- V210/V240 has a narrower overall footprint with the SharkRack Rack mount kit allowing fitment into racks with limited side spacing (17.75" wide)
- Provides excellent access to the computer product

Part Number V210/V240-R19-H

Dimensions

Shipping Dimensions (H x W x D)	7 x 7 x 33 inches (estimated)
Shipping Weight	9 lbs. (estimated)
Unit Dimensions (H x W x D)	1.7 x 1.0 x 30.0 inches
